

I listen to K-Love 91.1 in Denver. It is the ONLY station I listen to, because it is the ONLY station which offers uplifting edifying family-friendly encouraging music and programming 24 hrs a day 7 days a week. It is the only station which plays the christian music I love. It is the only WHOLESOME station available to us which meets us at today's lifestyle, without the "hell fire and brimstone" approach. I know people all over the nation who listen faithfully to this same station (family and friends). Please don't take it away.
